MEMORANDUM FOR:

FROM:

Executive Officer/DDA

25X1A

I called the gal in your office and gave her some quotes on [REDACTED] that relate to further justification. I am forwarding copies of the actual memos for your information. (Also attached is the DDO statement on [REDACTED] which was included in a package submitted to the Director.) I don't have a deadline for providing this material but since [REDACTED] note is dated 17 May, I would assume it should be done promptly particularly in view of the fact that almost all other items relating to civilian annuitants have been submitted to the DDCI and/or DCI. In our overall report to the DCI I have made note of the fact that justification for [REDACTED] is being provided separately to the DDCI.

Jack -

I suggest we initiate
the promised study of
the 57 amendments
(para 4.) + ask DDO
for justification on

25X1A

[REDACTED] people (para 4)
since Hark has doubts.

Also well need to
get justification for the
